

# NOVEMBER 2020 RIVERSIDE FESTIVAL ACTIVITY PACK: DIWALI CRAFTS

## Rangoli patterns with fuse beads...

### Rangoli patterns made from Fuse Beads...

Rangoli are usually made of coloured powder, petals or rice, like these designs shown on the left.

We thought it would be fun to make some Rangoli patterns from fuse beads.

You can see some examples below.

In your Activity Pack you will find:

- Fuse Beads and a pegboard
- Tweezers
- Ironing paper
- Rangoli pattern sheets.

## ... and Glass Paint Markers

### Diwali tea lights

Also in your Activity Packs are some **Acrylic Paint Markers** for glass painting and a choice of Rangoli designs in black outline.

Use these to make **Diwali style tea lamps** by drawing the design onto a clean glass jar. Simply cut out a design of your choice and tape it inside a clean jam jar or similar.

**We will give you some tips on how to do this on Zoom on Sunday 15th November at 2pm.**

**Join us for an online zoom session on Sunday 15th November 2pm - 4pm to learn how to make successful Rangoli patterns with fuse beads and how to make Diwali tea lights!**

**To request an invitation to the Zoom class text 07986 594663, and remember to share photos of your lovely work on the Riverside Festival FaceBook page!**
