

Get Into Care Course

Cardiff Council is delivering a **FREE** 5 day 'Working in Care' course for all job seekers.

The course starts on Monday 23rd August and will be delivered online. All learners who complete the course will gain a certificate in Food Safety and a certificate in Care. You will also be advised of job vacancies in the care sector, have help with your CV and interview hints and tips, leading to possible employment in residential and home care.
