I am thrilled to let you know we are finally launching the FinTech Wales Coding Academy!!!

The initial pilot is an 8-10 week intensive programme and is starting on Monday 4<sup>th</sup> April. We hope to achieve great things with the pilot and then continue to deliver the Coding Academy on a regular basis.

Developed in close partnership with local Fintech employers, this **free** intensive programme is designed to provide individuals with relevant skills and qualifications in-line with current local job vacancies in the sector. It will run over:

- **8 weeks** for **graduates** (FE/HE) with a Level 4+ qualification in a relevant sector subject area, or
- **10 weeks** for **non-graduates** who are employed or recently unemployed with a relevant core skill set, and are looking to reskill/upskill to enter the Fintech industry. The first two weeks of this 10-week programme include additional intensive modules in coding, so even if you are self-taught with a passion for programming and no formal qualifications in this area, we encourage you to apply.

**All participants will receive a weekly £150 training allowance. Partnering local FinTech organisations are committing to interviewing all those who complete the required modules.**

Recruitment is underway and individuals can apply on our website. Please see links below:

# Voluntary Work Experience

75% of Cardiff Employers Look at Work Experience History first on young candidate's CV's

Work Experience enables customers to secure a placement lasting between 2 - 8 weeks. You can work between 16-30 hours per week and continue to receive your benefit. We will cover any travel costs whilst you undertake any Voluntary Work Experience

Work experience is about gaining skills and experience in the work place in general it's not about trying out different types of work to see what you like. Any experience you gain can be used to show an employer that you have learnt new skills and proved that you are reliable

**The expert in anything was once a beginner.**

What will you get out of it? You will gain real life Work Experience; Be able to add to your CV; Receive a work related reference; Build your confidence; Gain the skills and behaviours employers want from people. Very useful to attach with your CV

Work experience organised by Jobcentre Plus is open to:

- young people who are aged 18 to 24 years old
- people aged 25 and over who don't have recent work history

We have various Voluntary Work Experience opportunities available Or, you can self market with any potential employer if you are looking to get experience in a specific sector. We can also approach an employer on your behalf

There is no obligation for an employment offer at the end of the placement. It's all about helping you to prepare for work by providing an insight into a real working environment.

**For more information, please contact your DWP Workcoach**

Including:

- Customer Self Marketing Letter.

### **McDonald's Jobs**

McDonald's currently has 3,443 restaurant vacancies across Great Britain

McDonald's head office has agreed to send details of new restaurant openings and locations to the NEPT account manager Barrasso Elena. Look out for these monthly updates from Elena and get in touch if you need a local recruitment contact to help you engage with your local franchise.

The company welcomes applicants of all ages, offers flexible hours and actively supports career progression. It's not unusual for someone to join as a crew member and if they work hard and are willing to learn, they can move from being an hourly paid crew member to a salaried manager in a very short time.

### **Openreach Careers - 4,000 new jobs in 2022**

Nurturing apprentices is very much a part of Openreach's core business strategy. The company, a subsidiary of BT Group recently announced it would be creating and filling 4,000 new roles in 2022, with roughly 3,000 of them apprenticeships.

The recruitment drive is the largest in Openreach's history and apprentices will be based throughout the UK, working to connect customers to the company's ultrafast Full Fibre broadband network, which is on track to reach 25 million homes and businesses by December 2026.
