**OUTDOOR PARTNERSHIP**

As part of the government's response to COVID recovery, a Summer of Fun scheme has been organised to provide free activities for children and young people age 0 – 25 years in Welsh and English. The activities provide support for their social, emotional and physical wellbeing to help re build their confidence to integrate back into the community.

As The Outdoor Activity Development Officer for Central South Wales for The Outdoor Partnership I have organised this program, the activities will take place predominantly in this region, but the activities are open to ANY under 25s from any region. All activities are organised using professional industry standard Outdoor Providers. All activities are subject to change, due to the nature of the outdoor conditions!

Transport, accommodation, food or equipment etc are not covered within the costs, but all activities and courses are free and where membership is required, this is included. If you require assistance with this, please contact me, we are here to help make it happen!

THIS PROGRAM IS AN OPPORTUNITY TO MAKE GROUP BOOKINGS FOR THE SESSIONS AND REGISTER YOUR INTEREST FOR THE PATHWAYS TO EMPLOYMENT PROGRAM.

The Pathways to employment is aimed at youth leaders, teaching staff, youth workers, volunteers and any young people who are not in education, employment or training and additionally it will support those working, studying, training or assisting in sport or outdoor related roles who can take this opportunity to get additional training and qualifications to improve their future opportunities in the outdoor industry and other related career opportunities. For many of the qualification training opportunities, there is a supporting program, designed to develop confidence, leadership skills and technical knowledge.....oh and increase confidence, so apply even if you think you're not ready, we are here to help you!
