We are Recruiting!!

Arts and Climate Change Project

Youth Support Workers (Sessional)

Salary: £15.36 - Youth Work Hourly rate (zero hours – 6 month contract)

Hours: Up to 4 hours per week

(On occasion we pay a flat rate of £100.00 per day for supporting day trips out of Cardiff)

South Riverside Community Development Centre are looking to recruit Youth Support Workers (Sessional) to engage children and young people participating in the 'Tomorrow's People' art and climate change project based in Riverside.

Applicants should have an interest in/ some knowledge of climate change issues and experience of supporting young people to develop their own project ideas.

If you are successful, you will support young people employed as Junior Project Assistants to plan and evaluate climate change related activities and accompany young people and family groups on day trips designed to educate on climate change.

These posts require a minimum qualification of Youth & Community Work Level 2. DBS & Work Education Council enrolment, can be arranged through SRCDC.

To apply please write a 300 word paragraph on why you would like the role linking the paragraph to the personal specification and also send in your CV.

These posts are funded by the Energy Savings Trust.

For an informal conversation regarding the post please contact Andrea Heath on 07986594663
