We work, we play, we shop, we stream... **Broadband built for modern life**

Full fibre broadband has arrived in Cardiff. It's 14x faster than the UK average,** and it won't slow down even when the whole family are online.

High speeds not high prices

We want everyone to be able to afford high speed broadband. So our 1Gbps full fibre is just £25 a month, and we guarantee no in-contract price rises.

Switch now, even if you're in a contract

If your broadband contract has less than 9 months to run, you can switch now. And you won't pay us a penny until your old contract ends.*

No buffering, no lag

Just fast reliable broadband all of the time. Isn't that what your family deserves?

*Terms & Conditions. Applies to new customers only on a 12 month contract. Offer covers the duration of your existing provider contract up to 9 months. Billing will commence on the date of your current provider contract expiry or 9 months after your install date with WeFibre, whichever is sooner. Your 12 month contract will automatically commence after your free period has ended. Installation fee might apply. **Ofcom (2023) UK home broadband performance.
